While we do our best to provide an accurate estimate of the fee, it is possible that the records can be produced for less than the estimated amount. If so, any additional amounts will be refunded.

It is also possible that we will discover the estimated fee is low once the actual processing work is started. If we discover that the estimated fee is too low, we will promptly advise the requestor any correction of fee, and the request advance payment of any additional costs before continuing the work.

Payment may be made by check or money order payable to the Pratt Police Department. Returned checks will incur an additional fee of \$30.00.

- **Requestor's name;**
- **Mailing Address**
- **A phone number** where the requestor can be contacted, and
- **Detailed information about the records being requested.** This will help staff in determining if the requested records exist and are in the agencies possession. Requests

for records not yet in existence or documents to be created prospectively cannot be honored.

For the convenience of requestors, a form that may be used to make the request is attached at the end of this policy. This form is not required to be used.

**Faxing and Air Express Delivery:**

Generally, records may be faxed if the records is for fewer than 15 pages and fax time and facilities are readily available.

If air express delivery is requested, the requestor **MUST** arrange for pick-up and packaging of the records; all associated costs for such delivery **MUST** be paid by the requestor.

The agency records custodian has sole discretion as to whether to honor requests for faxing or express delivery.

**Requests for Electronic Format Records:**

The records custodian will be the sole judge of the ability of the agency to comply with any request for the records to be provided in electronic format or for records that must be produced in any special computer generated format.

**Response time:**

The agency will act upon requests as soon as possible, with some response being made to the requestor no later than the third business day following the receipt of the request. If it appears that additional time will be needed, fees will be assessed, or some of the records may be closed by law, a written response will be provided as soon as the records have been located and reviewed.

This form is being provided to potential requestors as a helpful guide for composing an effective request for public information. Requestors should not consider this form to be mandatory.
